

Approved Used Programme

Affordability, reliability and high performance

Approved Used forklifts offer a highly productive and reliable truck at a fraction of the price of a new machine. These units offer the opportunity to own or rent forklifts with many years of reliable usage ahead.

A highly productive and reliable truck

Yale Approved Used trucks offer superb value for money with a wide range of flexible financial options available through Yale Capital. All units will meet the latest EU directives and safety regulations. Fully trained local service engineers, from our network of appointed dealers, will offer an unrivalled level of aftersales support to ensure maximum uptime. Your service plan can be tailored to meet your needs.

To meet end-users' individual budgetary and application restraints, the Yale Approved Used programme offers three separate grades of refurbished products: Gold, Silver and Bronze.

Gold, silver and bronze units

Bronze

Excellent value for money:

- All essential safety required repairs completed
- Forks and lifting chains checked for conformity to regulations
- Supplied with serviceable and legal tyres
- All functions of the forklift are tested and certified to conform to the manufacturer's standards and tolerances
- For safety, the operator seat and seat belt will be thoroughly checked, to ensure full working order
- Cosmetic repairs to the paintwork

Silver

Designed for more intensive use:

- Includes all the aspects of the Bronze level
- New set of forks
- Operator's seat fully renovated, including seat belt
- Electric units supplied with a fully reconditioned battery and charger
- Transmission pressure-tested to manufacturer's recommendations
- Steer axle checked and set to manufacturer's specification
- Mast, carriage and hydraulics tested to manufacturer's specification
- Serviceable tyres no more than 40% worn
- Extensive repair to the paintwork

Gold

As good as new:

- Includes all the aspects of the Bronze and Silver level
- Unit fully re-sprayed
- New set of tyres
- New forks and chains
- Engine fully reconditioned
- New seat and seat belt
- New starter battery or traction battery
- Electric motors fully overhauled
